Tanner, Inc. Wire and Cable Specialists

We provide over 6000 different types of Electrical and Electronic Wire and Cable for the Industrial, Contractor, OEM and Machine Tool Industry.

Electrical Wire and Cable Products:

Building Wire: Bare Copper, XHHW, MTW/AWM, RHW-2/RHH/USE-2, SIS Wire.

Medium Voltage Cable: MV-90 2.4 kV, MV-90/MV-105 5/8 kV, 15 kV, 25kV, 35kV in shielded and non shielded products. Available in Galvanized and Aluminum Interlocked Armor.

Control Cable: UL/TC-ER/WTTC/ITC-ER/MTW/CSA/CE APPROVED. Available in multiple gauge sizes and conductor counts. Blue and Red inner conductors available also. Standard Tray Cable, FREP, XHHW/CPE, IMSA Control Cable. CSA 1000 V Multi-conductor, Teck 90 Cable. PV Photovoltaic Wire 2000 Volt EPR

Flexible Control Cable: We represent the best in the industry for VFD & Automation and Robotic Cable.

High Temperature Wire and Cable: TFE, PTFE, FEP, SRML/SRK, TGGT, MGT and Mineral Insulated Cable in single and multiple conductor counts.

Portable Power and Control: SOOW-A/SOOW, TYPE W, Welding Cable, DLO, Stage Lighting Cable, Soaking Pit Cable, Type G-GC, SHD-GC, SHD-GC, SJT, SJO.

Thermocouple Cable: Calibrations available: E, J, K, T & S. Extension Grades available. Temperatures from 90° C to 1565° C.

Festoon and Reeling Cable: Flat Festoon cable in PVC and Neoprene, Magnet Crane Cable, High Flex Type W, Round Pendant and Reeling Cable, Round Fiber Optic Festoon cable.

Tanner, Inc. Wire and Cable Specialists

We specialize in high temperature and harsh environment cable applications. We can build a solution to your problem.

Call us Today!

Quick Pull Cable: Custom configured singles bundled, printed and tagged to your exact requirements per circuit and pull length. We can manufacture in any configuration including data and multi conductor security cable. PVC or PLENUM Rated. Eliminate waste and speed up the jobsite.

Electrical Enclosures: NEMA Rated electrical enclosures in standard and custom built configurations. We can provide any enclosure you would need for your jobsite or machine build. Call for assistance.

Electronic Wire and Cable:

Hook Up Wire: UL style hook up: TR64/UL1007, UL1569, UL1015, UL 1061, MIL-W-76B, MIL-W-16878, MTW, TFF, AWM, CSA, TEW, NEC TYPE THW, Rubber and PVC test lead and many more styles of hook up wire.

Communication and Control Cable: Multi-Conductor and Multi-Paired cable in Shielded and Non-Shielded constructions. PVC and Plenum and High Temperature Configurations.

Computer Cable: Multi-Conductor and Multi-Paired in Shielded and Non-Shielded PVC and Plenum rated.

Coaxial Cable: RG 6/U, RG 7/U, RG 8/U, RG 11/U, RG 58/U, RG 59/U, RG 62/U, RG 174/U, RG 213/U,

RG 214/U, Twinaxial Cables, Headend CATV Drop Cables in PVC and Plenum. We carry a full line of Military Style Coaxial cable.

Fire Alarm and Life Safety Cable: FPLR and FPLP Multi-Conductor and Multi-Paired cable in shielded and non-shielded in Riser and Plenum. Available in Mid-Capacitance cable and 2 Hour Fire Rated Life Safety Cable.

Tanner, Inc. Wire and Cable Specialists

We Custom Manufacture Wire and Cable to your specifications and design needs!

We can produce cable in almost any configuration in small lots.

Sound, Alarm & Security Cable: Composite Access Control Cable, Plenum and Riser Rated. Multi-Conductor Shielded and Non-Shielded in Plenum and Riser Rated. Antenna Rotor, Telephone Station/Intercom & Speaker/Burglar Alarm cable. Low Voltage Sprinkler Wire. Thermostat Wire Type LVT, CL2 and Unjacketed.

Audio/Video & Broadcast Cable: Speaker Cable, Superflex Speaker Wire, Special Audio, Communication & Instrumentation Cable, Low Skew 4 Pair UTP, Direct Burial Audio & Communication Cable, Digital Audio Snake Cable, Analog Audio Snake Cable, Microphone Cable, Hybrid Fiber Optic/Copper Camera Cable.

Fiber Optic Cable: Tight Buffered Indoor and Outdoor rated Fiber, Single Mode and Multi-mode Fiber in Riser and Plenum Rated. Outdoor Gel Filled fiber for direct burial. Aerial Self Supporting fiber. Figure 8 fiber.

Network Cabling: Category 3 Voice Grade Cable in PVC and Plenum. Category 5-6 Data Grade in Shielded and Non-Shielded PVC and Plenum. Siamese and Hybrid constructions. Patch Cables, Wall and Floor Racks, Connectors, Wall Plates, Patch Panels, Cabinet Enclosures and wire management accessories.

Tanner, Inc. Wire and Cable Specialists carries a full line of complimentary products for all of their wire and cable. Call us for Connectors (mil spec and rectangular), Cable Tray, Termination Kits, Fittings, Hardware and more.

This is a small sampling of the electrical and electronic wire and cable products that we carry. Please call our sales department for assistance with your wire and cable needs.
